### BELLADERMABRASION

A luxurious interpretation of microdermabrasion, this is the most popular and highest volume facial rejuvenation procedure in the world. Effective for the treatment of fine lines, wrinkles, hyper pigmentation, acne scarring, enlarged pores, and sun-damaged skin, this painless process can significantly diminish the signs of aging.

### SPATERRE SIGNATURE FACIAL

This high-performance, results-oriented treatment uses vitamins and fatty acids from citrus, carotene, and olive oil to repair and restore the skin, damaged from the harmful effects of the environment and aging. Powerful exfoliators derived from sugar cane open pathways to deliver skin nourishment deep in the tissue, where active new cell production takes place.

### TRANSFORMATION FACIAL

### ULTIMATE DELUXE FACIAL

Designed to help turn back time, this facial involves cutting-edge anti-aging technology that regenerates cell renewal. A combination of microdermabrasion, glycolic peel and a customized mask to fade pigmentation, smooth fine lines and restore clarity. Reveals a long-lasting brilliance and new younger skin.

### CRYSTAL-CLEAR COMPLEXION

This facial is designed to effectively target breakouts in all skin types. You and your spa professional will work together on understanding and learning how to control breakouts in any form.

### EXECUTIVE MEN'S FACIAL WITH SCALP MASSAGE

This multi-action transformation treatment helps firm, tone, and reduce the appearance of fine lines and wrinkles. Powerful exfoliators derived from sugar cane open pathways to deliver vitamins, antioxidants, and peptides deep into the skin. After only one treatment, the skin will appear smoother, brighter, and softer.

### CAMERA READY EXPRESS FACIAL

This express treatment provides instant radiance and brilliance to the skin. Resurfacing gently whisks away damaged, aged skin cells, immediately minimizing lines, brightening and toning—leaving skin glowing and beautiful.

### BRIGHT EYE TREATMENT

Make the dark circles caused by fatigue, puffiness and lack of elasticity vanish with active ingredients that gently diminish fine lines.

### FORTIFYING EYE, NECK, AND LIP TREATMENT

This intensely hydrating treatment gives an immediate rested and refreshed look as it restores elasticity, collagen, and firmness to aging eyelids and reduces puffiness. Exfoliators gently soften the lines left by laughing and living and minimizes crow's feet. The often neglected neck area is brought back to life through the benefits of antioxidants to tighten and smooth fragile skin.

Chronically chapped lips are polished, renewed and restored.
